tration in that county a partisan affair, just as has been done in every other county of Montana where the republicans controlled the appointment of registry agents through the county commissioners. "We desire," said the authors of the Custer county circular, "where the registry agent is a republican, to have him keep a private list of all persons of Glendale Sept. 23.

Hon. M. Y. Pemberton will address the voters of Dillon Sept. 23.

Hon R. B. Smith will address the voters of Glendale Sept. 23. worked against the omnibus admission

county were never so well organized, so ably led, so harmonious, as they are in the present canvass. The splendid legislative and county tickets have aroused not merely strong hope, but absolute confidence of victory. It is a great year for the young democracy. The best work of the canvass is being done by the young men of the party and they are a set of men of whom any community and any party might be proud. Defeat with such a body of fighters at the front should be impossible.

Joseph K. Toole's canvass is a splendid triumph. His election has been assured from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the start, but every day brings to his support new voters from the sup county were never so well organized, so clusively judicial was expected to con-

Revolution in Business Principles At THE BEE HIVE.

Having decided to make an entire change in our present manner of doing business, as well as to do business on a different plan from any other house in handana, we will, from this date on, sell any and all goods in our store at the very small profit of

ONLY TEN PER CENT

Our object in doing this is to increase our business at leat tenfold, thereby making our plan feasible and profitable, and at th ame time give the purchasing public BETTER GOODS for their money than has ever before been offered in Montana, We shall carry this plan out to the letter, and our aim is to have the reputation that THE BEE HIVE IS THE CHEAPEST HOUSE IN THE STATE OF MONTANA, and we feel assured that our plan will be successful. This is no buncombe or advertising dodge, but every word in the above tells solid facts, and we will guarantee every word we say. Call and be convinced for
